T I M B E R T A L K

VOLUME: 17 - ISSUE: 5 - MAY 1992

EDITOR: Garry Braunwarth - Box 17, Site 9, RR 5 - Calgary, Alberta T2P 2G6 Canada

CAWMC OFFICERS:

President: Pat White
Vice-President: Earl Salterio
Secretary-Treasurer: Al Munro
Past-President and Chairman of the Board of Governors: Norm Belsten
Elected Members of The Board of Governors: Garry Braunwarth, Russ Brown, Stan Clute, Gary Littrell, Neil Probert, Don Robb

APPOINTED POSITIONS:

Editor: Garry Braunwarth
Membership Chairman: Don Robb
Fund Raiser: Garry Braunwarth
Auction Coordinator: Al Munro

DUES: Dues in The Canadian Association of Wooden Money Collectors is only $10.00 per calendar year. They should be sent to our Membership Chairman: Don Robb, P. O. Box 724, Waterloo, Ontario N2J 4C2 Canada. Have you sponsored a new member this year?

AUCTION RESULTS: The results of the Mail Auction that closed 31 March 1992 can be found on the next page. I know of at least one member in Ontario and one in Alberta that do computerize the 'Prices Realized' for future reference and to assist in evaluating their own collections.

AUCTION: A private auction appears on Page 3 of this issue. You may just find a wood or two that you need. As the closing date on John's auction is June 30, 1992, please send your bids in at once.

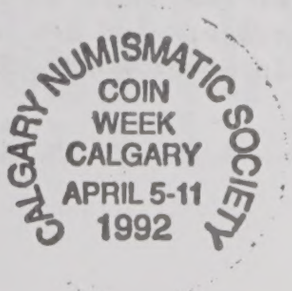
CAWMC MAIL AUCTION: The closing date for our auction that was printed in the February issue of Timber Talk also closes June 30th. Please mail your bids into Al as soon as possible. There are many scarce wood in the auction.

NORM'S ARTICLES: Our Past-President, Norm Belsten, has contributed a couple of articles this month. Thanks Norm.

CLCC WOOD: Gary Littrell has received a number of requests for information on the wood that he has issued on behalf of the Canadian Large Cents Club (which no longer exists). Many of these wood were handed out by Gary during CNA Conventions. These wood are listed as 'Canada-related' in our catalogue. On Page 5 you will find a full listing by Gary of his woods. A description with number issued, etc. is provided for each wood. Thanks for the accurate, up-to-date information Gary.

WOOD LISTING: As we all know, Norm Belsten has spent many hours compiling alisting of all issued Canadian wood. See Page 6 for more information.

FREE WOOD OF THE MONTH: As usual your Editor arranged to purchase sufficient wood from the Calgary Numismatic Society - 1992 issue - to donate one to each member of CAWMC. It is shown below. It is printed in black. Elbee made 1000 for the CNS. If you have a wood, be it a few duplicates, or a couple of hundred p-l-e-a-s-e send them to the Editor. Our stock is fast dwindling. Thanks.



MAIL AUCTION RESULTS: In the November 1991 issue of Timber Talk we printed a mail donation/consignment auction with a closing date of March 31, 1992. All the paper work for this auction has now been completed and the results are printed below. Lots that are not shown did not receive a bid. Fo some reason not many members placed bids for this auction. We did not even receive any low bids from anyone who wanted a few duplicates for trade. In the end we did make a few dollars for CAWMC however. Thanks to those that did participate. Unsold wood will appear in future auctions.

AUCTIONS: Mail auctions and the annual auction held during the CAWMC meeting at the CNA Convention each year provide much needed capital for the continued operation of OUR organization. Dues alone certainly do not cover the costs of Timber Talk. Printing and postage keep esculating, especially the postage. And now we must pay the GST, whereas previously we were sales tax exempt. In other words please help support us.

AUCTION: John Hnatiuk of P. O. Box 4944, Vancouver, B. C. V6B 4A6 Canada sent a mail bid auction which contained the following list of wood. The closing date is June 30, 1992 - so you had better hurry. Please mention that you are bidding from the listing in Timber Talk. John will invoice successful bidders who then have five days in which to send him payment. His phone number is 604-596-6303.

The Bad Boy is back, this time its Blayne Lastman, son of Mel Lastman at the controls of the new Bad Boy Store. Like his father who about 35 years ago issued a wooden nickel, he has issued two new woods. One is good for $10.00 off on a purchase of over $200.00 while the second is for $25.00 off a purchase of $500.00 or more. Both woods are black on both sides, 38 mm in diameter, and 3 mm thick.

The original Bad Boy Wood was $5.00 off a purchase of $110.00 and I wonder if it would be honoured today. The new Store is located at 1119 Kennedy Road, Scarborough Ont. and woods were given out on Wednesday November 13 for one day if you went to the store, now I understand that a purchase is necessary to obtain a wood. I was told that 1000 of each wood were made, but I will try to confirm this.

Mel Lastman sold the original chain of 38 stores in 1977 and a year later it went bankrupt. Blayne was able to obtain the Bad Boy name after trying for over a year and a half, and plans on opening several more stores with his partner, over the next couple of years, who knows we may see more woods issued.

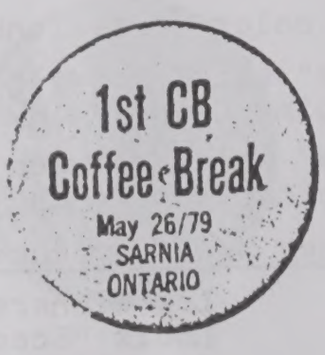
As many of you know I have completed the 100 page listing of all known Canadian Woods to date, over 4800. There is also a cross listing of Maritime catalogue numbers, and an alpha and numeric index. It is available for $20.00 plus $2.00 postage if Canadian funds, from myself at the above address.

I spent over five years compiling the list, and many of you Wooden Money collectors contributed to the listings. I would like to thank all of you for your support, and hope it will continue as I try to improve and add to the listing.

While working on the list I have corresponded with a great number of different people. I have endeavoured to keep up my correspondence. Because this was not possible, I have cleared my desk off. I will endeavour to start anew with my letter writing to my fellow contacts in the hobby and out. If I owe you a letter, missed you with a wood, or would like some information on a wood, please do not hesitate to drop me a line.

HAPPY WOOD COLLECTING

Another Ontario wood is discovered, this one from Sarnia for the First CB Coffee Break issued in 1979. The wood was in a box with mostly US woods, but was picked out by Al Kasman while attending a coin show at Stratford Ont. The wood is black both sides and standard size, round.


If anyone can shed some light on this piece please write to me. I have a similar issue for the first Canadian GRS Coffee Break dates 1978 which is unattributed and also requires help in identifying.
